**香港興業國際集團有限公司\***  
**(“HKRI” or the “Company”)**

## **ENVIRONMENTAL POLICY (the “Policy”)**

### **1. Introduction**

This Policy formulates a set of measures to minimise the environmental impact brought by the Company and its subsidiaries’ (the “Group”) operations.

### **2. Objectives**

Protecting the environment and promoting sustainable development are our long-term commitments, upholding the value of respect. As we believe sustainability can help the business and community mutually coexist, the Group shoulders this social responsibility by ensuring that our businesses are operated in an environmentally responsible manner.

### **3. Policy**

3.1 Under this Policy, we are committed to:

#### **Compliance**

- a) Meet or exceed all applicable legal and environmental standards;

#### **Sustainable operation**

- b) Maintain sound business practices and uphold high ethical and corporate governance standards;
- c) Ensure all identified significant environmental issues are managed in a responsible manner;
- d) Explore green alternatives and promote the use of environmentally friendly materials and technologies during planning, design, construction, operation and maintenance;
- e) Obtain green building certifications for our projects wherever practicable;
- f) Adhere to pursue the sustainability targets and objectives to improve environmental performance; and
- g) Review and assess performance annually.
